Quiz Banks

Steps 1. From the MY ATI > LEARN tab (MY ATI > IMPROVE tab for Simulations) use the filters to help you locate your product – a tutorial for this example. 2. Click **MODULES** to open a list of available module topics. The number on the Modules button indicates how many module lessons are in the Tutorial. 3. Your choices are **BEGIN/CONTINUE LESSON**, **BEGIN** TEST, and RESULTS. • Click **BEGIN** or **CONTINUE LESSON** to either start the lesson from the beginning or continue where you left off. • When you are ready to take the tutorial's practice assessment, click **BEGIN TEST**. • To view your Individual Performance Profile, click RESULTS. Note: If you have already accessed a module, the date you last accessed it displays in the lower right corner

Description	Steps				
STEP 5 Access the Online Practice and Proctored Assessments <u>MY ATI > TEST</u>	Image: Additional information.	 From the My ATI > Test tab, use the filters to help you locate your practice assessment. Click BEGIN to start your assessment. 			
Complete your Assessment	Assessment Completed! How would you like to proceed? Go Back to Last Question Finalize and View Results	When you have answered all the questions in an assessment, the Assessment Completed window displays. Click Finalize and View Results to save your answers and calculate your results. Your Individual Performance Profile launches automatically.

Steps

Your transcript summarizes your activity and performance on proctored and practice assessments, tutorials, quiz banks, and simulations. It also lists the courses you have completed and Continuing Education Credits earned.

- Click MY RESULTS. Detailed results are organized by product type into five areas:
 - o Proctored Assessments
 - Practice Assessments
 - o Tutorials
 - o Quiz Banks
 - o Simulations
- Click a link to view:
 - Individual Performance Profile (Proctored and Practice Assessments, Quiz Banks, Simulations)
 - Focused Review (Proctored and Practice Assessments)
 - Details of study time and practice test results (Tutorials)
- Click DOWNLOAD to generate your Transcript in a PDF format that can be saved, printed, or e-mailed.
